2. Vice President's Visit: Regarding our invitation to the Vice President to attend our Annual Awards Ceremony on 19 September, I called [REDACTED] to advise that the Vice President is scheduled for five minutes at the end of the program and that if time is a factor he could schedule his visit to cover only these five minutes. I advised that we would be most delighted to have him attend and this would reduce the time impact on the VP's busy schedule. [REDACTED] advised that this will be considered and he thinks the timing can be arranged.

3. Mr. Helms mentioned that the signs concerning repairs to the perimeter road on the 27th and 28th of August were still up and asked why they can't come down. I assured him they would be taken down immediately.

4. Mr. Helms tried to buzz Larry Houston on the Call Director but got no answer either by a secretary or Mr. Houston and he wanted to know why. The line to Houston is direct and there is no additional Call Director for his secretary. I called [REDACTED] and asked him to take a look at this situation and see if he couldn't arrange for an on-line Call Director for the secretary and also consider whether an extension off of this could be set up for [REDACTED] who could answer calls in Larry's absence.
